Gathering Point/Time : InterContinental Seoul COEX 1F Lobby, 17:40

Venue Changgyeonggung Palace

Changgyeonggung Palace

Changgyeonggung was built for Queens Jeonghui, Sohye, and Ansun in 1483. Changgyeonggung Palace was rarely used in the beginning, but it served as one of the main palaces for the Royal Families, after it was burnt down together with the Gyeongbokgung and Changdeokgung Palaces during the Japanese Invasion of Korea in 1592 and restored along with Changdeokgung.

Many kings including Jangjo(Crown Prince Sado), Jeongjo, Sunjo, and Heonjong were born here. Along with Changdeokgung,

Industrial Tour

Available only for those who have registered in advance (for invitation holders ONLY)
Please, directly contact the staff at registration desk

06 General Information

SEOUL

Seoul has been the capital city of Korea for more than 600 years. Its population is around 10 millions, about 20 percent of the total population of Korea. For more information on Seoul, Please visit:
<http://english.seoul.go.kr>

I · SEOUL · U

CLIMATE

Seoul has four seasons. The yearly average temperature is 11.1°C. Average daily temperature in September for the past 3 years was 22.1°C with lows at 17.7°C and highs at 27.0°C. The average annual precipitation is 1,451mm with only 26mm in September.

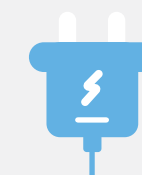

CURRENCY & BANKING

The official unit of the Korean currency is the Won (KRW). **The exchange rate of 1 USD** is equivalent to approximately **KRW 1,211.60**(as of 30 August 2019). Currency exchanges are available at banks, airports and major hotels. ATM services are available at most hotels. Tipping is not expected in most restaurants and hotels.

ELECTRICITY

The power supply is mainly **220V/60hz**. Two in line holed sockets(two roundpinned plugs) are used. Adaptors and converters may be needed for participants from countries which use 110V or other different types of plugs.

CREDIT CARDS

Most large stores, hotels and restaurants in Seoul accept major international credit cards. However, it is advised to carry some cash since certain smaller establishments and stores may not accept credit cards.

LOCAL TIME

Korea Standard Time is **UTC+9**.

LOCAL & INTERNATIONAL CALLS

Country code of Korea for international inbound call is 82, and area code for Seoul is 02. For international outbound calls from Korea, 01, 002 or 00700 should be dialed first followed by the appropriate country code.
